

SISS 2016

1st International Conference on
Social Informatics and Systems Science

July 10-14, 2016 | Kumamoto, Japan

<http://aai2016.iaiai.org/>

In part of 5th IIAI International Congress on Advanced Applied Informatics

- Adaptive System
- Big Data Analysis
- Case Studies
- Collective Intelligence
- Collaboration Systems
- Computational models
- Data Engineering
- Decision Support Systems
- Digital and Social Media
- Digital Innovation
- e-Government
- Electronic Marketing
- Human Behavior Modeling
- ICT Strategies
- IT Adoption
- Knowledge Economics
- Mobile Services
- Operations Research
- Philosophical Issues
- Security and Safety
- Simulation
- Social Collaborative Systems
- Social Engineering
- Social Environment
- Social Games
- Social Informatics Theory
- Social Media
- Social Network
- Social Physics
- Systems Dynamics
- Tourism Informatics

Conference Publications

Proceedings will be published by Conference Publishing Services of IEEE.

Post Conference Publications

- Book Series to be published by Springer
- New Trends in E-Service and Smart Computing, Springer
- International Journal of Smart Computing and Artificial Intelligence
- International Journal of Theory and Practice in Software Engineering
- Information Engineering Express - International Journal
- International Journal of Service and Knowledge Management

Important Dates:

Special Session Proposal: January 30, 2016
Full/Short/Poster Paper due: March 19, 2016
Notification: April 14, 2016
Camera ready due: April 28, 2016
Early Registration: April 28, 2016
Conference Dates: July 10-14, 2016

IIAI AAI's Conference Series
<http://aai2016.iaiai.org/>

**SISS
2016**

**International Conference on
Social Informatics and Systems Science**

**ESKM
2016**

**International Conference on E-Service
and Knowledge Management**

**LTLE
2016**

**International Conference on Learning
Technologies and Learning Environments**

**DSIR
2016**

**International Conference on Data
Science and Institutional Research**

**SCAI
2016**

**International Conference on Smart
Computing and Artificial Intelligence**

**BMOT
2016**

**International Conference on Business
Management of Technology**

**EAIS
2016**

**International Conference on Enterprise
Architecture and Information Systems**
